

# European Network for Solidarity with Ukraine

*On the second anniversary of the criminal Russian invasion...*

## Join the trade union solidarity delegation to Ukraine!

On the second anniversary of the full-scale Russian invasion of Ukraine, the European Network for Solidarity with Ukraine (ENSU) is helping build a solidarity delegation to Ukraine of trade unions and trade union activists from other European countries.

The delegation provides an invaluable opportunity to learn first-hand about the crucial role of Ukraine's trade union

organisations in the Ukrainian people's resistance to Russian aggression, and to build solidarity with them.

Organisation at the Ukrainian end is being undertaken by the Confederation of Free Trade Unions of Ukraine (KVPU). The KVPU will provide intending participants with a full itinerary covering transport and accommodation options.

To get involved in this important solidarity initiative send an email message expressing your interest to the KVPU at [international.kvpu@gmail.com](mailto:international.kvpu@gmail.com) with a copy to ENSU's trade union coordinator, Alfons Bech, at [albech12@gmail.com](mailto:albech12@gmail.com).
